JEJU'S LARGEST MULTI-PURPOSE MICE FACILITY

Jeju Shinhwa World Landing Convention Centre is Jeju's largest multi-purpose convention hall that can hold large-scale conventions, exhibitions, international events, business receptions and banquets. Providing 2,000m² of space across a main banquet hall and meeting rooms of different sizes, the convention centre has already been verified as the nation's best MICE facility as it has already held some of the best and largest 'K-Pop' concerts and entertainment events. It can accommodate up to 2,000 people, has a large entrance that can even get cars up on the stage and magnificent lighting systems that received recognition. The convention centre has 8 meeting rooms each named after Jeju's popular regions such as Olle, Seongsan and Yeongsil. Among them, Halla Room can be divided into three sections for small meetings and parties. It is also right next to the marvelous Landing Resort and a spacious main parking lot. Landing Convention Centre shall be your best MICE destination that satisfies your transportation, accommodation and travel needs.
